NATURE WALK EXPERIENCE

STARTING
TIME: 9.00 AM

Discovering Radda in Chianti

Tuscany is the home of Chianti wine, and this environment has become a very important symbol.

Experiencing Chianti means becoming a local citizen and immersing oneself in the sensations and emotions that this region will bring you. You are not simply a tourist, you become members of our community.

Experiencing Chianti means discovering authentic places, which have been belonging to the same family for ages and engaging discussion with local people: we love to speak about our land.
